1. Claims 1-26 allowed.
2. The following is an examiner's statement of reasons for allowance: None of the cited prior art references either alone or in combination disclose a method of playing a team game requiring each of at least two member of a team to record and rank one or more responses, compare recordings with other members of the team, determining a point total based on matching responses, taking further action on a point total and including all other method steps in independent claims.

Examiner has also compared applicant's method of playing against popular TV games such as "Family feud" and "newlyweds game". Whereas "family feud" involves an audience, the "newlyweds game" merely tests one's knowledge about the spouse.
